Dear Customer

Construction Work in your area – Roker

As you know Northumbrian Water are working in your area. The £8 million scheme to improve the performance and resilience of the sewer network in the Roker, Seaburn and St Peter's areas of Sunderland started early September 2016.

When we wrote to you at the start of the project we advised that weekend work may be possible. We are writing to advise that on Sunday 3 September and Sunday 10 September 2017 it will be necessary to carry out work in Roker Park Road at the junction with Glenthorpe Avenue (please see attached plan). The road will be closed at this location and work will be between 09:00 and 18:00. A diversion will be in place.

It is inevitable that there will be some disruption in the immediate vicinity, but please be assured that we will do our best to minimise any inconvenience to you. If you envisage any issues or concerns then please contact us so we can discuss potential solutions.

The site compound on Roker Baths Road, opposite The New Derby Public House, includes a Customer Centre; a representative will be on site from 8.30am to 4pm, Monday to Friday. Please feel free to drop by to discuss any queries that may arise.

We hope you appreciate that this work is necessary to improve the existing sewerage system and to reduce the risk of flooding and pollution. We thank you in advance for your patience and cooperation whilst we carry out this essential work.

We often resolve issues more effectively if we can discuss them with you first. If you have any site related issues or concerns during the course of this work, please talk to us about it. You can contact our site team on **0191 377 4500** between 8am and 5pm Monday to Friday or by visiting www.nwlcommunityportal.co.uk and following the Sunderland link.

Alternatively, you can contact the Northumbrian Water customer centre on 0345 717 1100 or log onto www.nwl.co.uk to arrange for a call back from the project team.

Yours sincerely

Christine Taylor
