**SPRINGWELL ENHANCEMENTS PROJECT**

**PUBLIC RIGHTS OF WAY - FOOTPATH CLOSURES NOVEMBER 2024**

**NOTICE: Footpath Closures and Pipeline Works**  
Important Information for Path Users

As part of essential remedial works on the Carr Hill west pipeline, temporary footpath closures will occur over the coming weeks to ensure public safety during testing and repairs.

**Key Dates and Closures**

1. Test 1: 7th-8th November  
No footpath closures will be required during this initial test.
2. Footpath 1 Closure: Starting Monday, 11th November  
Footpath 1 will be closed for approximately three weeks for Test 2.
3. Potential Footpath 2 Closure:  
If additional work is needed, Footpath 2 may close following Test 2 results. In this case, we will reopen Footpath 1 before closing Footpath 2 to maintain access.

Upcoming Work on final section of testing  
Testing from the PROW to the end of the pipe adjacent to the car park is scheduled for mid-December, and further updates will be posted closer to this date.

Thank you for your cooperation. For any questions, please refer to our customer portal or contact our team using the information provided here. We recognise the inconveniences that come with such changes and are committed to ensuring minimal disruption. Your safety is our utmost priority.
