**SPRINGWELL ENHANCEMENTS PROJECT**

**PUBLIC RIGHTS OF WAY - FOOTPATH CLOSURES**

Our £56m project is well underway, as part of the project we will be laying a new inlet pipe to our new reservoir, the pipe will be laid predominately in carriageway from the junction of Galloping Green Road / Sandy Lane junction south through and beneath the Bowes Incline Railway line to the new reservoir. As part of the pipelaying, for safety reasons we will need to temporarily close Public Rights of Way/Footpaths.

**What does this mean for you?**

Alternative routes to that which you may currently take.

**When?**  
Starting from 23rd October 2023 to the end of February 2024.

**Where?**  
Please refer to the included map for details on the affected footpaths and the recommended diversion routes.

We recognise the inconveniences that come with such changes and are committed to ensuring minimal disruption. Your safety is our utmost priority.
